## 5 Simple Steps to Switch to The Bank of Bennington

- 1 Open** an account at The Bank of Bennington.  
You can do this at any of our 5 branches.  
Choose from a variety of accounts.
- 2 Deposit** funds into the new account.  
Make sure to leave enough in your old account to cover any outstanding checks.
- 3 Redirect** any direct deposits you have set up.  
These might include your:  
 Paycheck  Social Security/Pension/Retirement  Child Support  Brokerage Deposits

This is all you will need to tell them:

Your New Account Number:

The Bank of Bennington's Routing Number:

This number is also on our website's homepage in case you ever need to find it in a hurry. Your employer will change over your paycheck's deposit. The Social Security Administration will take care of government issued pensions. Call them at 800-772-1213. Contact any other institutions that provide you with direct deposit and give them the above two numbers.

- 4 Switch** any Automatic Payments over to the new account.  
If you have any bills that autopay, they will need to have those two new numbers, too.  
Autopayments are often set up for the following types of recurring bills:  
 Gas  Oil  Electric  Water  Phone  Cable  Yard Maintenance  
 Trash  Loans  Mortgages  Car payments  Insurance (home, life or auto)  
 Child support  Credit cards
- 5 Close** your old account slowly.  
Wait a minimum of 2 months of no activity (making sure all checks have cleared) to be sure there isn't a lingering check waiting to be cashed. Then withdraw any remaining funds and close that account with the accompanying letter.  
You are done. **It's that simple!**
